

OUR TEAMS ON MAP

10 associated laboratories
20 labelled research teams

- - - - - CNRS laboratories
- - - - - UNISTRA laboratories
- - - - - INSERM laboratories

INSERM UMR S1329
Team 17 & 18
Psychiatry
Addictions

INSERM CIC1434
Team 19 & 20
Clinical Investigation Centre
Translational Research

Sports and Social Sciences
E3S - Team 14
Impact of Physical Activity on Well-Being

Biotechnology and Cellular Signaling
BSC - Team 13
GPCRs, Pain & Inflammation

Laboratory of Cognitive & Adaptive Neuroscience
LNCA - Teams 7 to 9
Neuropsychology and Neurophysiology of Aging
Abuse of Drugs and Neuroadaptations
Life Adversity and Pain

Subjectivity, Social Link and Modernity
SuLiSoM - Team 15
Psychopathology, Psychoanalysis and Medicine

Interdisciplinary Laboratory in Cultural Studies
LinCS - Team 16
Suffering Beyond Pain

Institute of Cellular and Integrative Neuroscience
INCI - Teams 1 to 6
Neuroanatomy, Pain and Psychopathology
Opioid system, Nociception and Pain
Peptidergic Control of Emotions
Physiology of Neural Networks
Impact of Pain on Sleep Regulation

Laboratory for Therapeutic Innovation
LIT - Teams 10 & 11
Chemical Biology and Pharmacognosy for health
Chemogenomics & Medicinal Chemistry

Laboratory of Design & Application of Bioactive Molecules
CBST - Team 12
Chemistry and Molecular Neurobiology
